Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Wednesday 27 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy with rain and drizzle overnight, occasionally heavy.

This Evening and Tonight:
A misty start with hill and some coastal fog. Rain and drizzle will increasingly affect all areas and turn heavy at times overnight. Winds freshening with strong coastal winds by the early hours. Less cold than previous nights. Minimum temperature 7 deg C (45 deg F).

Thursday:
Turning drier and brighter during Thursday morning but remaining breezy with some strong winds Feeling much milder with unseasonably high temperatures. Some rain overnight, possibly thundery near coasts. Maximum temperature 13 deg C (55 deg F).

Outlook for Friday to Sunday:
Bright and breezy with rain or showers on Friday. Frost overnight. Some uncertainty for the weekend with rain likely at times, perhaps turning to snow on Sunday, after morning frost.
